Presidents Message

Hopefully everyone survived the week of summer and is ready for the coming autumn season.

For those that missed Field Day this year we made a few changes to how we do things and everyone had a great time with the club making it's highest score ever. Hopefully not everyone had as good a weekend. A little rain but not enough to wet spirits. Good food and good fun all around.

Public service season is here again so if you can spare a few hours some weekend when something is going on feel free to volunteer. Thanks to all that helped with the Pool Dedication Parade in Lebanon. The Audrey Prouty Ride\Walk is this weekend and we are still looking for a few more operators to help out. If you can give the day or even a few hours please contact Dan K1DAN or Dave WA1ZCN and put you name in. They will put you where you are needed the most. Those of us who volunteered early already have the boring spots (ha, ha).

Because of the Prouty ride this weekend the TSRC meeting is postponed until July 20th. Same place, same time. See you all there.

73, Verne N5IEP
